

Friday Flyer August 31, 2007

WE ARE ALMOST THERE!! The listserve is growing and as much as we would like to begin the year paperless, a few more trees will have to fall!! We will be sending hard copies home for the first trimester to ensure the entire community has signed on to the listserve. We will be providing laptops during Curriculum night and then again during Parent Teacher Conference days for your convenience. If you need assistance in any way please contact the school office and we can help you get your email address on our list. Again the site for the listserve is www.lfelem.lfc.edu/schools/listserve/html
